## INDUSTRY NEWS

### Kenya to introduce multiple-entry e-travel pass for cruise ships

The new system is expected to eliminate paperwork delays and allow tourists to freely explore Kenya's cities and national parks during their stay, further positioning the country as a premier cruise destination.

### International tourism in Kenya, 15% growth in 2024

In 2024, the increase over the previous year was 15%, with the 'wall' of 2 million visitors broken through for the second consecutive season. This is above the United Nations estimated global growth in tourism of around 5%.
